1. Executive Summary

Emerging Technologies Lab (ETL) is a PSDP funded project focused on Quantum Technologies. The core objective of this project is to **establish capability to initiate indigenous design and development** of specialized hardware, software and new cyber security **solutions to counter Quantum computing threats**. The lab will undertake **innovative** initiatives in **cryptographic, communication, computing and other domains**.

This Request for Proposal (RFP) solicits proposals from companies, service providers & vendors who can provide Hardware and IT Equipment. This information should include, but not limited to, the history of the organization, its experience, financials, technical capabilities, and experience for providing similar success stories.

2. Mandatory Terms & Conditions

Following are the General Terms of References for collaborative proposal of QRNG:

General terms and conditions compliance	Yes/No
The RO must be registered in SECP , incorporation certificate should be provided.	
RO must be registered with the FBR sales tax and should have a valid NTN number. Copies of the certificates must be provided with the bid.	
A bid bond, in the shape of a Bank Draft/Pay Order in the name of the “Project Director, Emerging Technologies Lab” , for an amount of 2% of bidding amount/- .	
RO shall submit an affidavit on stamp paper of PKR 100/- , that the company/individual is not blacklisted by any federal, provincial public sector organization	
RO and its employees involved in the execution of this contract must obtain and maintain security clearance from relevant Law Enforcement Agencies (LEAs) . The company must possess valid clearance certificates for itself and its designated employees .	
Bidder must provide Certificate that the bidder will ensure all source code and detailed hardware designs handover (where necessary). (Certificate has to be attached)	
Detailed documentation should be provided, including user manuals, technical guides, and troubleshooting procedures etc.	
RO must provide an undertaking that the proposed solution (including its components): <ul style="list-style-type: none">• Does not contain any back-doors or any hidden elements.• Is free from any vulnerability at the date of submission of proposal and subsequently at the time of delivery.• Is customizable according to the requirements.	

3. Scope of Work, Timeframe & Penalties

The scope of this RFP includes the supply, delivery, installation, configuration and testing of **hardware and IT equipment specified at Annexure-I**, ensuring functionality and compliance with the required technical specifications. The vendor shall provide the necessary documentation, user manuals, and initial training to the concerned staff. Moreover, Vendor is bound to provide the required

equipment within 30 days from the issuance of purchase order. Delays, non-compliance, or failure to meet agreed deliverables will attract penalties as defined in the contract, including but not limited to liquidated damages, withholding of payments, or termination of the agreement.

4. Timeframe

Milestone	Date & Time
RFP Released	23 May 2025
RFP Bid Submission Date and Time	13 Jun 2025, 1030 hrs
Last Date to submit Queries related to RFP requirements	29 May 2025, 1400 hrs
Pre-Bid Meeting	30 May 2025, 1400 hrs
Opening of Technical Bids	13 Jun 2025, 1100 hrs
Opening of Financial Bids	18 Jun 2025, 1030 hrs

As a result of this Request for Proposal, ETL may do one of the following at its discretion:

- Award a contract for this Request for Proposal on the basis of prescribed technical evaluation criteria and financial comparison (lowest bidder).
- Cancel the whole process.

5. Proposal

This is “**TWO STAGE TWO ENVELOPE BIDDING PROCEDURE**” as per PPRA rules. The bidders shall submit their proposals in one sealed envelope containing two different separate sealed envelopes marked as “**Technical Proposal**” and “**Financial Proposal**”. Only Technical envelope will be opened in the presence of bidders and financial proposal envelopes will stay in ETL custody till the opening of financial bids. After Technical scrutiny, bidders may be asked for revised technical and supplementary financial proposals. Financial proposals from bidders that met the technical qualification score will be opened in front of bidders. Final date of opening of Financial Bids which will be communicated to all the bidders in advance. Further final evaluation reports containing technical and financial evaluation will be published on ETL website and PPRA as well. After the finalization of evaluation, the successful bidder will be issued “**Letter of Intent**” which will be followed by the Service agreement and Service order.

6. Preparation of Bids

- 6.1. The bid bond is to be enclosed in a separate envelope, labelled as “**Bid Bond**” and should be sealed. It must be ensured that the bid bond should be in the same envelope as the “**Technical Proposal**”.
- 6.2. The envelope for financial proposals should be marked “**Financial Proposal**” and submitted according to **Annexure-II**. Two hard copies of the technical proposal and financial proposal are required. Soft copies (in USB) of both the technical proposal and financial proposal must be provided along with their respective envelopes.
- 6.3. There will be **02 envelopes** marked as “**Original Technical Proposal**” and “**Copy of Technical Proposal**” respectively, soft copy should be part of the original technical proposal.
- 6.4. RO should duly fill in and submit all the attached bid forms stamped and signed. **In case of any discrepancy or absence** of any sort of information ETL has the right to disqualify the RO immediately.
- 6.5. A bid bond, in the shape of a **bank draft/Pay Order** in the name of the “Project Director, Emerging Technologies Lab, for an amount of **2% of bidding amount/-**.

- 6.6. RO shall submit an affidavit on stamp paper of **PKR 100/-**, that the company is not blacklisted by any federal, provincial public sector organization.
- 6.7. All proposals and prices shall remain valid for **120 days** from the closing date of the submission of the proposal.
- 6.8. RO shall provide prices in PKR.
- 6.9. Hardware equipment should have **1x year local warranty**, including parts and labor with onsite support including patch updates and bug fixes.
- 6.10. The end-user licenses, end-user warranties and end-user contracting support services will be in the name of the ETL, for all the equipment and software loaded on the equipment delivered during the project.
- 6.11. RO should supply the equipment in the given time mentioned in “**Clause 3**” of this RFP.

7. Pre-Bid Meeting

A pre-bid meeting will be held in the premises of the ETL, below mentioned address “Emerging Technologies Lab, Office No. 406, 4th Floor, Evacuee Trust Complex, F-5/1 Agha Khan Road, Islamabad on **30 May 2025 at 1400 hrs**. All queries relating to RFP should be emailed to procurement@quantum.org.pk as per given timelines. Answers to the submitted queries shall be given in the pre-bid meeting and will be emailed to all the participants of the pre-bid meeting (if-required). Queries raised in pre-bid meetings will be answered through email to all the participants within 24 - 48 hours of the pre-bid meeting.

You may contact following person, if you have any questions or require clarification on any topics covered in this request for proposal.

<p>Haseeb Akbar Designation: Procurement Manager Email: haseeb@quantum.org.pk Phone Number: 03219112230 Address: Emerging Technologies Lab, Office No. 406, 4th Floor, Evacuee Trust Complex, F-5/1, Agha Khan Road, Islamabad</p>

8. Submission of Bids

Proposals shall be delivered by hand or courier to the address given below “Emerging Technologies Lab, Office No. 406, 4th Floor, Evacuee Trust Complex, F-5/1, Agha Khan Road, Islamabad” before the date and time i.e. **13 Jun 2025, 1030 hrs**. RO must also ensure uploading of bids on **EPADS** system. Technical bids will be opened on the same day i.e. **13 Jun 2025, 1100 hrs**. Proposals received by fax or email shall not be accepted. The proposal should be addressed to “**Project Director, Emerging Technologies Lab**”.

9. Technical Bid Evaluation

There will be a two-stage technical evaluation. **Preliminary evaluation** (Initial Screening) of technical bids will be done on the basis of following criteria:-

- 9.1. RO must provide the name of the organization, details of offices, workplace, working facility, etc. across Pakistan and the location of the head office, if any, the size of the company (number of employees) etc.
- 9.2. RO shall comply with all PPRA requirements.
- 9.3. The RO must be registered with **FBR for sales tax** and should have a **valid NTN number**. Copies of the certificates must be provided with the bid.
- 9.4. RO is to provide information as per the template available at **Annexures I & II**.

- 9.5. RO should not propose any kind of refurbished, used, end-of-life, or near-end-of-life equipment in their proposals.
- 9.6. RO shall be responsible for payment of any **duties/taxes etc.** that are applicable during the tenure of the project. The bid price must be inclusive of all taxes. The RO is hereby informed that the government shall deduct tax at the rate prescribed under the tax laws of Pakistan, from all payments for services rendered by any RO that signs a contract with the government.
- 9.7. On-site **installation & relevant services** are to be provided by the vendor.
- 9.8. RO may provide completed and ongoing projects in the form of a completion certificate or list or a purchase order document.
- 9.9. The following documents/evidence should be attached in support of the Technical Proposal Evaluation as per the above criteria:
 - Copies of NTN Registration with Income Tax, Sales Tax Departments and who are on FBR's Active Taxpayer's List (ATL).
 - Experience Certificates
 - Authorized Partner/OEM Certificates, where applicable.
 - Detailed Product Specifications
- 9.10. Support center/staff should be available locally with respect to the quoted item.

Detailed technical evaluation will be done for firms who qualify the preliminary evaluation mentioned above. In detailed technical evaluation the Evaluation & Award Committee will verify the compliance with specifications mentioned in Annexure-I. Any bid containing less specifications will be rejected.

10. Financial Bid Evaluation

Financial bids of the technically qualified RO will be opened before the representatives who wish to attend the tender opening. Financial bids will be opened only for those vendors only who qualify (meet the specifications) in technical and detailed technical evaluation.

11. Notification of Award

The procuring agency will notify the successful bidder in writing that the bid has been accepted. The notification of award shall constitute the formation of the "Contract" between the procuring agency and the successful bidder. The enforcement of the contract shall be governed by Rule 44 of the PPRA.

12. Signing of Contract

After the notification of the award, the procuring agency shall send the successful bidder the contract form/document. The contract shall become effective upon affixation of the signature of the procuring agency and the successful bidder on the contract document. If the successful bidder, after completion of all codal formalities, shows an inability to sign the contract then bid security shall stand forfeited and the bidder's organization may be blacklisted and de-barred from future participation.

13. Performance Security

The successful bidder should provide a performance security or performance insurance security upon execution of the contract, a sum equivalent to five percent (5%) of the contract value, this security shall be issued from a scheduled bank/insurance company operating in Pakistan and shall be kept valid from the date of issue, and should cover the warranty period after all contractual obligations have been fulfilled. The bid security submitted by the successful bidder shall be returned upon

submitting the performance security. Failed to provide performance security by the successful bidder, is sufficient ground for annulment of the award and forfeiture of bid security.

14. Penalty Clause

The RO is bound to make delivery of proposed solution within the delivery timelines mentioned in "Clause 03" of this RFP. In case of failure then the procuring agency may cancel the contract and forfeit its performance security. The RO is bound to ensure the proposed solution is in line with the technical specifications mentioned in the bidding document, while technical inspection will be carried out by the technical team, on the premises of the procuring agency.

15. Redressed of Grievances by the Procuring Agency

- 15.1. ETL has constituted a committee comprising of odd number of persons, with proper powers and authorizations, to address the complaints of bidder that may occur prior to the entry into force of the procurement contract.
- 15.2. Any Redressal of grievances and settlement of disputes shall be done according to Section 48 of Public Procurement Rules, 2004.
- 15.3. Mere fact of lodging of a complaint shall not warrant suspension of the procurement process

16. Corrupt or Fraudulent Practices

- 16.1. Definition of the terms set forth below for the purposes of this bidding document, shall be according to Public Procurement Rules, 2004.
- 16.2. PPRA 2004 Rule 2(1) f: "corrupt and fraudulent practices" in respect of procurement process, shall be either one or any combination of the practices including:
 - 16.2.1. "**Coercive Practices**" which means any impairing or harming or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence the actions of a party to achieve a wrongful gain or to cause a wrongful loss to another party;
 - 16.2.2. "**Collusive Practices**" which means any arrangement between two or more parties to the procurement process designed to stifle open competition for any wrongful gain, and to establish prices at artificial, non-competitive levels;
 - 16.2.3. "**Corrupt Practices**" which means the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence the acts of another party for wrongful gain;
 - 16.2.4. "**Fraudulent Practices**" which means any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation; and
 - 16.2.5. "**Obstructive Practices**" which means harming or threatening to harm, directly or indirectly, persons to influence their participation in a procurement process, or affect the execution of a contract.

17. Implementation & Payment Schedule

Payment plan with percentages include govt or other taxes as per government rules at the time of payment. All payments shall be made through cross cheque in Pak Rupees.

Ser	Milestone	Period	Payment
1.	Supply of all Hardware and Software	Within 4x weeks from the date of signing of contract/issuance of purchase order	60%
2.	Installation, Configuration	Within 2x week after delivery	20%

	Commissioning, Training		
3.	Final Acceptance	4x Weeks after delivery	10%
4.	After sales support	Warranty and perpetual license for software components of each item should be offered by vendor for 1x year	10%

Transactions will be structured in instalments. **Multiple purchase orders** may be issued **as per Annexure-I**.

18. Procurement terms and Discretionary Rights

- 18.1. **Quantity Flexibility:** ETL reserves the right to increase or decrease the quantity of items to be procured at its sole discretion.
- 18.2. **Right to Cancellation:** ETL may cancel any or all items at any time without prior notice.
- 18.3. **Budget-Based Procurement:** Purchase Orders (POs) will be issued subject to the availability of budget.
- 18.4. The date for opening the financial bids is subject to change depending on the completion of the technical evaluation and the resolution of any related grievances or clarifications.
- 18.5. **Item Pricing Option:** The Supplier may offer items either on a cost-per-item basis or as standalone units. ETL reserves the right to evaluate and select items individually or collectively, based on cost-effectiveness, technical suitability and project requirements.

Letter of Intent

Name of the Tender: { _____ }

To: [The Project Director, Emerging Technologies Lab, Islamabad]

Dear Sir

Having examined the bidding documents, we offer to supply and deliver the goods under the above-named contract in full conformity with the said bidding documents and at the rates/unit prices described in the price schedule provided in the financial bid or such other sums as may be determined by the terms and conditions of the contract. The above amounts are by the Price Schedules attached herewith and are made part of this bid.

We undertake, if our financial bid is accepted, to deliver the goods following the delivery schedule specified in the schedule of requirements.

If our financial bid is accepted, we undertake to provide a performance security/guarantee in the form, in the amounts, and within the times specified in the bidding documents.

We agree to abide by this bid, for the bid validity period specified in the bidding documents and it shall remain binding upon us and may be accepted by you at any time before the expiration of that period.

Until the formal final contract is prepared and executed between us, this bid, together with your written acceptance of the bid and your notification of award, shall constitute a binding contract between us.

We understand that you are not bound to accept the lowest or any financial Bid you may receive. We undertake that, in competing for (and, if the award is made to us, in executing) the above contract, we will strictly observe the laws against fraud and corruption in force in Pakistan.

Dated this [insert: number] day of [insert: month], [insert: year].

Signed:

In the capacity of [insert: title or position]

Duly authorized to sign this bid for and on behalf of [insert: name of Bidder]
